

California Coastal Commission
San Francisco, CA

Executive Director

Annual salary range: up to \$165,432

Application deadline: Open until filled – First review of resumes Monday, December 5, 2016

This is an exciting opportunity to lead a well-respected environmental protection and regulatory agency charged with implementing the California Coastal Act of 1976. The Commission is seeking a dynamic leader dedicated to public service, energized by hard-work and motivated by the complex and interesting challenges encountered in protecting California's treasured coast.

The Executive Director is appointed by and serves at the pleasure of the voting members of the Commission. The Executive Director has comprehensive executive responsibilities for management, statewide policy formulation and implementation, program development, and administration of all aspects of the Coastal Commission's work mandated by the Coastal Act. The Executive Director oversees the implementation of the Commission's 2013 adopted Strategic Plan and is responsible for the work of the Commission's approximately 167 authorized staff positions in 6 geographic districts located in 7 offices.

Qualified candidates are expected to bring broad environmental, land use and coastal policy experience in addition to a significant background in administrative and organizational management. Possession of a Bachelor's degree in a relevant field and a minimum of 10 years of relevant work experience, including at least five (5) years in a senior managerial role are expected. An advanced degree in a relevant field is desirable.

To be considered for this prominent and influential position, please go to: http://www.cpsr.us/documents/ExecSearch/ED_CCC.pdf to download the comprehensive job announcement and application requirements.
