HNBA
CORPORATE COUNSEL
CONFERENCE

& MOOT COURT COMPETITION

Expand your diverse recruiting goals! Participate in the 2017 HNBA Speed Networking and Corporate Connections Program

Concept: The Speed Networking and Corporate Connections Program is one of the HNBA's signature professional and business development initiatives. In accordance with our mission, to enrich and diversify the legal profession, the Program is designed to promote meaningful business relationships between America's leading corporate law departments and HNBA attorney members.

Description: This focused and intimate networking opportunity allows in-house counsel and government agencies with hiring authority to identify outside counsel in practice areas where the legal department has an identified need. Law departments also use the Program as a recruiting tool for internal placement opportunities.

Format: The first hour consists of one-on-one meetings (15 minutes each) between legal departments and their selected participants. The second hour consists of a networking reception that is open to all Program participants.

Eligibility: Please complete the applicable questionnaire (for either corporate law department or government agency). In early March, the HNBA will grant you access to an electronic file containing applicants' employment information for your review. The HNBA will also provide a form to identify up to **four applicants** for your one-on-one meetings.

Please send materials to:

SPEEDNETWORKING@HNBA.COM no later than Tuesday, February 21, 2017 11:59 p.m. EST.

All selected applicants will be notified on or about Tuesday, March 21, 2017.

Disclaimer: Corporate law departments /employers are solely responsible for all selection decisions. HNBA cannot and does not guarantee that participating attorneys or firms will be selected or otherwise engaged by the participating companies and/or government agencies.
