SU FUTURO:*  
HNBA EDUCATIONAL, MENTORING, AND PIPELINE INITIATIVES

The HNBA’s “Su Futuro” Programs impact the elementary to law school pipeline, as well as members of our Law Students’ and Young Lawyers’ Divisions. Through a unique combination of programs and initiatives, the HNBA is focusing on students of all ages in order to ensure a robust pipeline of exceptionally prepared and qualified Latinx attorneys. A core part of the HNBA's mission, the Su Futuro suite of programs and initiatives could not be possible without the active support and involvement of our strategic partners, sponsors and members at-large. We invite you to be part of the solution. For more information and to become involved, please contact: vpprograms@hnba.com.

HNBA INTELLECTUAL PROPERTY LAW INSTITUTE (IPLI)*
The IPLI is a trail-blazing and bold partnership with corporate and law firm partners designed to increase the number of Latinx lawyers practicing intellectual property law in the U.S. (currently at <2%). Launched in 2013, in partnership with Microsoft, IPLI is an intensive, immersion program for law students interested in practicing IP law, including patents, copyrights, trade secrets and trademarks. Admission to the program is highly competitive, as ~30 Latinx law students are selected to participate each year, from applicants across the U.S. IPLI scholars are flown to Washington, DC, for a full week of substantive instruction from top IP law practitioners, federal judges and government officials. The program includes visits to various government agencies and courts to observe, first-hand, U.S. IP institutions at work. It also offers scholars the opportunity to meet leading members of the IP legal community who serve as mentors and provide pathways for future job placement. To date, 150 scholars have completed the IPLI, and 75% of those who have graduated from law school and passed the bar are working in IP-related positions. In 2018, the IPLI expanded its curriculum to include a substantive “Tech Law” track, and additional corporate participants.

HNBA YOUNG LAWYERS & LAW STUDENTS SPEED MENTORING & REGIONAL MENTORING PROGRAMS
These dynamic and successful mentoring programs pair seasoned HNBA attorney members with Latinx young lawyers and law students. Mentors provide guidance and share practical knowledge about the legal profession with their mentees, offering direct contact and access, coupled with the opportunity to develop needed professional resources. The Speed Mentoring Program takes place during the HNBA Annual Convention, and multiple other mentoring programs are carried out at the regional level. To date, HNBA’s mentoring programs have positively impacted thousands of Latinx young lawyers and law students.

HNBA LAW SCHOOL SIN LÍMITES (LSSL)
LSSL is a four-year, college student mentor program that aims to advance inclusiveness in the legal profession by equipping students for their journey to law school and beyond. The program is designed to prepare college students from diverse backgrounds to become highly qualified applicants for admission to the nation’s best law schools. Each student is a member of a group that is traditionally under-represented in the legal profession. The program provides participants with: (1) a three-person mentoring team, overseen by a judge presiding over a Court in the region of the student’s residence; (2) exposure programming to cultivate soft skills, such as cultural competence, business etiquette, emotional intelligence, and networking skills; (3) skill-building programming to develop hard skills, such as logical reasoning, writing, and critical analysis skills; and (4) assistance for LSAT preparation.

HNBA ANNUAL UVALDO HERRERA MOOT COURT COMPETITION
Each year, the HNBA Uvaldo Herrera Moot Court Competition brings together over 30 teams of law students from law schools across the nation to brief and argue a case currently pending before the U.S. Supreme Court, before a mock panel of Supreme Court justices populated by preeminent jurists. Feedback and coaching throughout the competition allows law students to hone their legal knowledge, written and oral advocacy skills, and prepares them to better serve the profession. The HNBA is honored to have the HNBA Judicial Council actively involved in this important event. To date, the Competition has awarded over $450,000.00 in scholarships to the competition winners. A number of competition participants have subsequently secured clerkships with state and federal judges.

HNBA LATINA COMMISSION PEARLS OF WISDOM PROGRAM
Fulfilling the mission to strengthen the pipeline of Latinas in the legal profession, the HNBA Latina Commission’s work not only focuses on practicing Latina attorneys, but on the future generation of Latina leaders as well. Since 2012, the Commission’s pipeline program, Pearls of Wisdom, has been offered at least twice a year across the nation. During each Pearls of Wisdom event, distinguished Latinas from different sectors in the law meet with students (from elementary school to law school) and discuss their path to success, as well as recommended strategies for breaking the proverbial glass ceiling. Each program is followed by Q&A and meet & greet sessions.

HNBA YOUTH SYMPOSIUM
This annual program, which takes place during the HNBA Annual Convention, provides high school students with the opportunity to meet Latinx attorneys, judges, law professors, and government officials from across the country. The Symposium offers discussion and activities that aim to inspire them to be leaders in their communities and to choose the legal profession as their career path. This important pipeline program has reached thousands of high school students in different states throughout the nation.

SU COMUNIDAD: COMMUNITY OUTREACH AND ADVOCACY

The HNBA’s reach expands well beyond its attorney members, and into the communities where we live and serve. Through our various community outreach programs and advocacy efforts, we encourage Latinx legal professionals, friends, and partners to get involved in these important efforts that impact millions of Latinx individuals around the country.

HNBA/PRUDENTIAL SU DINERO PROGRAM*

HNBA/Prudential Su Dinero program participants have access to a variety of educational materials and financial tools to achieve overall financial wellness for themselves, their families, and even future generations. As Latinx professionals, even as we grow in influence and power, we might neglect to protect ourselves and our families for those imprevistos, like we say in Spanish. Su Dinero two-prong approach features an online tool that allows participants to access digital financial wellness content as well as in-person financial education seminars. The curriculum offers practical, down-to-earth information, focusing on key financial concepts such as budgeting, debt management, protection of assets, tax implications of investment decisions, preparing for retirement, and creating a financial legacy for your Familia.

LA PROMESA EN EL DERECHO™ (THE PROMISE IN THE LAW)*

La Promesa is a community outreach and education initiative designed to instill confidence and trust in the U.S. legal system. The HNBA has published a bilingual booklet that provides explanations at the 9th grade reading level of ten basic features of the American system of government: the U.S. Constitution; Separation of Powers; the U.S. President; the U.S. Congress; the U.S. Supreme Court; the Courts; the Jury Selection Process; Basic Rights in a Criminal Proceeding; the Freedom to Engage in Civic Activities; and Voting.

A digital copy of the booklet can be downloaded from the HNBA website. Hard copies of the booklet can be provided upon request.

HNBA ADVOCACY DAY

Each year, the HNBA conducts its Advocacy Day activities in Washington, DC. Members of the HNBA Board of Governors and leaders from affiliated state and local Hispanic bar associations join HNBA members from across the country in the Nation’s Capital. Attendees participate in networking activities and advocacy efforts before members of Congress, cabinet members, and White House officials.

*Program is a joined enterprise with the HNBA VIA Fund.
