

HNBA Corporate Counsel Conference & Moot Court Competition

March 20–23, 2019

Conference Programming:
Albuquerque Convention Center

HQ Hotel:
Hyatt Regency Albuquerque

Expand your diverse recruiting goals! Participate in the 2019 HNBA Speed Networking and Corporate Connections Program

Concept: The Speed Networking and Corporate Connections Program is one of the HNBA's signature professional and business development initiatives. In accordance with our mission, to enrich and diversify the legal profession, the Program is designed to promote meaningful business relationships between America's leading corporate law departments and HNBA attorney members.

Description: This focused and intimate networking opportunity allows in-house counsel and government agencies with hiring authority to identify outside counsel in practice areas where the legal department has an identified need. Law departments also use the Program as a recruiting tool for internal placement opportunities.

Format: The first hour consists of one-on-one meetings (15 minutes each) between legal departments and their selected participants. The second hour consists of a networking reception that is open to all Program participants.

Eligibility: Please complete the applicable questionnaire (for either corporate law department or government agency). In early March, the HNBA will grant you access to a user-friendly electronic file containing applicants' employment information and individual resumes for your review. At that time, the HNBA will also provide you with a form to identify up to **four applicants** for your one-on-one meetings.

Please complete the applicable form no later than **Tuesday, February 19, 2019, by 11:59 pm EST.**

Visit the 2019 HNBA Corporate Counsel Conference EVENTS page [HERE](#) for the applicable questionnaire.

Disclaimer: Corporate law departments /employers are solely responsible for all selection decisions. HNBA cannot and does not guarantee that participating attorneys or firms will be selected or otherwise engaged by the participating companies and/or government agencies.
