

2020 HNBA/VIA Corporate Counsel Conference & Annual Convention (CCC-AC2020) – Agenda

The HNBA/VIA will seek Continuing Legal Education (CLE) credit in various states for eligible programs and sessions. Credit hours are estimated and are subject to each state's approval and credit rounding rules. There may be programs that do not meet accreditation requirements in certain jurisdictions. All agenda sessions listed as CLE have been submitted for credit, and selected specialty programs and plenaries submitted are indicated with a + after the session title.

Sessions with a 🗄 after the session title are part of the HNBA/VIA CCC-AC2020 program but will take place on a separate platform and require pre-registration. Programs that require previous selection and registration are noted.

2020 HNBA/ VIA Speed Networking & Corporate Connections Program; Sponsored by Greensfelder, Hemker & Gale (Pre-Registration Required) 🗄

The 2020 HNBA/ VIA Speed Networking & Corporate Connections Program is a sponsored program of the 2020 HNBA/VIA Corporate Counsel Conference & Annual Convention.

HOW IT WORKS

Concept: The Speed Networking and Corporate Connections Program is one of the HNBA's signature professional and business development initiatives. In accordance with our mission, to enrich and diversify the legal profession, the Program is designed to promote meaningful business relationships between America's leading corporate law departments, as well as federal agencies, and Hispanic legal professionals.

Description: This focused and intimate networking opportunity allows in-house counsel and government agencies with hiring authority to identify outside counsel in practice areas where the legal department has an identified need. Law departments also use the program as a cost-effective, recruiting tool for internal placement of highly-qualified Hispanic attorneys.

Format: On Monday, September 28, 2020 from 5:00 PM – 6:30 PM, we will host a virtual reception* for all participants. During the reception, we will break up into small groups in virtual rooms to facilitate networking in a virtual setting. During the week of October 19, 2020, we will schedule one-on-one virtual meetings (15 minutes each) for legal departments to video conference with their selected participants.

**Note: Only participants selected by in-house counsel for interviews will participate in one-on-one meetings, but all participants will have an opportunity to socialize during the virtual reception.*

Attorneys and Law Departments/Government Agencies who wish to participate in the Speed Networking & Corporate Connections Program are required to register by Friday, September 4, 2020, by 5:00 PM ET. For more information, please visit <https://hnba.com/2020-ccc-ac/speed-networking/>.

WEEK 1: TUESDAY, SEPTEMBER 15, 2020 – FRIDAY, SEPTEMBER 18, 2020

All times listed are Eastern Time (ET)

<p>TUESDAY, SEPTEMBER 15, 2020</p>	
<p>9:00 AM – 3:00 PM</p>	<p>HNBA/VIA Latina Leadership Academy; Sponsored by Walmart (Pre-Registration Required) +  The Latina Leadership Academy offers curriculum specifically developed for Latina attorneys and draws from a significant body of research from both the Commission and other leading organizations. The program addresses areas identified as key to shattering glass ceilings and securing the advancement and long-term success of Latina lawyers—the most underrepresented group in the legal profession. Currently, Latinas comprise 1.47% of all lawyers even though they represent one in four women in the United States. To help advance Latinas in the profession, the Latina Commission developed the Latina Leadership Academy. The Latina Leadership Academy is geared towards Latina lawyers from all areas of the profession who have been practicing less than 10 years. The Academy's curriculum builds off the successful programs on Grit and Growth Mindset and delves into concepts of executive presence, cultivating leadership skills, and what it means to be authentic in organizations where Latinas remain underrepresented at all levels. In addition, 2020 Latina Leadership Academy attendees will gain insights into the importance of mindfulness and resilience in their daily lives and how mindful practice will increase opportunities for advancement in the workplace.</p>

8:30 AM – 9:30 AM	<p>Attorney Wellness Program; Presented by the HNBA Attorney Wellness Committee Creative Problem Solving for Creative Communication</p> <p>Creativity is the number one leadership competency in business, but how does one learn how to develop new ideas, solve complex problems and implement new ideas? We all know that communication is a two-way street – sending and receiving information need to both be done for a good interaction...but how? What can we as lawyers do to improve our communication skills? Understanding our client, our co-worker's and even our judge's preferences could help us to get our point across in a way that leads to better outcomes. Knowing how people face a challenge mitigates the instances of information being misunderstood or being used to emotionally hijack a conversation.</p> <p>In this presentation, we will learn the five problem solving preferences and how to identify which one(s) people lean towards. With this knowledge we can tailor our conversations and requests to gain better outcomes. This will lead to better conversations, better buy in for action, and less emotional upheaval.</p> <p>REMARKS Debra Norwood, Attorney at Law and Certified Brain Health Coach, Norwood Law Firm; HNBA Attorney Wellness Committee Co-Chair, Memphis, TN</p> <p>PANELIST Beth Slazak, Manager of Education and Events, Creative Education Foundation; Manager of Operations, Creative Problem Solving Institute (CPSI Conference) & Board Member, Association for Applied and Therapeutic Humor (AATH); Cowlesville, NY</p>
